Mr. William Colby; Director  
Central Intelligence Agency  
Washington D.C.

Dear Mr. Colby:

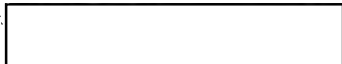

I have knowledge of information which I feel would be of value to the C.I.A. The information is concerning millions of Dollars in Currency, American, French and British, also millions of Dollars in Gold Bullion and Precious stones, hidden in Germany since during W.W. II.

This wealth has never been discovered, because everyone in the know is dead. The information was given to me by the wife of a Very High Ranking Nazi, while I was serving in the Army of Occupation. I feel that the C.I.A. and our Government should know about this hidden Cache. Sincerely,  
Please Advise
